SCOTT® RAGS IN A BOX

10" x 12", 200 Rags/Box

These white disposable towels are made of cellulose fibers with a latex binder for thickness, absorbency, and strength. They are suitable for automotive applications, major home improvement projects, and general business cleaning and housekeeping. The cardboard container has built-in handle holes to assist with portability and the pop-up hole in the center allows continuous access to individual wipes. Industrial wipes are non-woven disposable rags consisting of wood pulp, synthetic fibers, or a blend, and reinforced with a binder. They are used to wipe small quantities of solvents or other liquid from your hand, tools, equipment, or other surfaces.

WYPALL® GENERAL CLEAN X60 CLOTHS

Pop-Up Box, 8.34" x 16.8", White, 126 Cloths/Box, 10 Boxes/Case

WypAll General Clean X60 Cloths absorb more water than rags. They bring the absorbing power of HydroKnit technology (for superior absorbency) to a lighter-weight cloth. Designed to outperform laundered rags, the clothes help raise the standard for general-purpose cloths at a terrific value. They don't use adhesives or binders, so they'll leave no residue behind and they're reinforced for strength when wet or dry. These cleaning cloths are so sturdy that they can often be used more than once (once you've used them a few times, they're disposable). They're designed to reduce waste so you spend less.

Specifications:

- Color: White
